Hi Lu,

Thanks so much for meeting with me today. I am attaching the updated documents. Please let me know if you have any questions. For quick questions, feel free to call my cell 608 320 0098 as my responses to Webex/mail/teams may get delayed when I'm on clinical service.

Thanks
Thekla

Hi Lu,

Thanks for sending over the calendar hold for tomorrow.

Please find attached the data and the statistical analysis plan. It will probably be easiest if we look at it together tomorrow and discuss each step. I am waiting for the final demographics from a few patients and will send them to you asap.

Thanks and see you tomorrow
